7th February 2018

Dear Parents/ Carers,

We sent a letter to parents a few weeks ago advising that some of the visits we had booked for last week may need to be cancelled due to lack of contributions. Luckily, these trips were able to go ahead.

As you are aware, the Year 6 trip to France is rapidly approaching, and as of today, the shortfall (what is left to pay) for this is £8,148.40. Unfortunately, although the letters we send have to say 'voluntary contributions' for trips, the school (like every other!) is unable to afford to subsidise such a big proportion of this.

Unless this amount is significantly reduced by 28th March, we will, regrettably, have to cancel the France Year 6 residential. This is a last resort; we know how much the children and staff are looking forward to it.

Thank you for your understanding.

Yours sincerely

Mr W. Gargan
Deputy Headteacher
