

What a busy two weeks!

We have now finished our 'Meet the Teacher' evenings. It was lovely to meet so many of you and we hope that those of you who were able to attend found the evenings useful and informative.

We have also welcomed prospective parents into our school during the open morning and evening. Many of our pupils were involved with these events either by acting as 'tour guides' or returning to school in the evening to take part in a range of activities. We have all been very proud of all of the children who were a credit to us all. Our visitors were extremely complimentary in their comments.

Thank you also to the parents who have indicated that they would like to be part of our new PTA. I will be writing to you next week to arrange a first meeting. If you would like to join us but haven't yet let us know, please do so - the more the merrier!

Runways End

Some of our Year 6 pupils have been visiting Runways End to take part in a range of team building activities. Here they are enjoying the raft building activity.

PE Kit

We have a large number of children who don't currently have a PE kit in school. Please could I remind you that all children need a t-shirt, shorts and trainers in school every day. As the weather is getting colder, they also need tracksuit trousers and a sweatshirt (this should not be their school jumper).

Parking

A gentle reminder to those of you who are driving to school to drop off or collect your children. Please do not park on the pavements or in the staff car park (unless by prior arrangement) as the safety of some of our children and parents is being compromised.

DIARY DATES

Fri 30 th Sept	3:15pm Macmillan cake sale
Mon 3 rd Oct	1:00-4:00 SSF Workshop
