

Well done!

On Tuesday 8th November, four of our Year 6 children represented the school in the National Young Mathematicians' Award. Although they were not able to secure a place in the next round, we received feedback that "Aaratrika, Joan, Matthew and Sam worked really hard throughout the competition and demonstrated some excellent skills in both mathematics and team work. They clarified their reasoning well and successfully found a range of answers to the challenges showing some systematic working. We were impressed with their enthusiasm and determination!"

Book Fair

We would like to say a very big thank you to all of the children and parents who visited our book fair. It was a real pleasure to see so much enthusiasm and excitement when viewing and purchasing the books. Thanks to your generosity, your children will be enjoying some new books at home and the school has £611.24 in commission to spend on new books for our school library. As soon as the new books have been received, we will be showing them to the children and then they will be available for reading!

Dangerous parking and driving

A number of parents have recently witnessed situations:

- ~ Parent's dropping off children on the zig zag markings outside of school and at the traffic lights on both sides of the road outside school.
- ~ Speeding down St John's Road.
- ~ Children riding at speed on scooters and bikes around the playground and along the pavements and roads near to school.

PLEASE ENSURE THAT ALL MEMBERS OF OUR COMMUNITY ARE SAFE

DIARY DATES

Friday 18 th Nov	Children in Need Day
Mon 21 st Nov	Schools' Shakespeare Festival 7pm Camberley Theatre
Thur 24 th Nov	Year 3 flu sprays

Tues 3 rd Jan	Term starts
Fri 6 th Jan	Year 6 Weighing and Measuring Details to follow

Coats

Please would you ensure that your child has a coat in school at all times during the winter.

Homework Catch-up Group

This term, we have been concerned about the number of children who have not been completing reading and homework and we have been finding that our Friday Workshops are being impacted. We are very proud of this enrichment time and know how many children really look forward to this opportunity. To support children who are finding the completion of work tricky we will be introducing a 'Catch-up Homework Group' during Friday Workshop time. Children who have not completed their reads will spend 15 minutes reading and those with missing homework will have 30 minutes to complete the homework activity before joining their workshop. We hope that this will enable the workshops to run smoothly and encourage more children to complete their home learning activities.

District Football Player

Many congratulations to Lewis Hillary from Hawk class who has been selected to play for the Aldershot and Farnborough School District U-11s football team - a wonderful achievement!

Cove Junior Football Team

On Monday 14th November, we played St Joseph's for our first friendly match of the season. Despite a narrow loss of 2-1 to St Joseph's, we were very proud of our team. Thank you to all the parents and siblings who came to show their support. The next game is on Thursday. Good luck!
