

Key Learning

Maths: Addition and subtraction, multiplication and division - applying these to capacity.

English: (Writing) Using our driver text ('The Boy Who Swam With Piranhas') to write diaries and explanation texts.

(Reading) Continued development of reading for stamina and comprehension skills through the complementary texts, 'Leon and the Place Between' and 'If I Ran the Circus'

Science: What affects the flow of electricity?

Other Learning

DT: What makes a successful light-up product?

PSHE: What is a healthy lifestyle choice?

Computing: Is it responsible to edit photos?

PE: Gymnastics and tag rugby

RE: What is suffering? (Linking to the Easter story)

French: Numbers 13-30, birthdays and family

Music - How can you read rhythms?

Roll Up! Roll Up!

Home Learning

In order to prepare the children for the Multiplication Tables Check, we will be using Times Table Rockstars to set weekly homework. This will be alongside the five weekly reads and regular spelling practice to support learning in class.

Hook and Outcome

As an introduction to our new topic, the first day of the half-term will be a circus themed day, where the children will learn many new circus skills.
